Entera, record financing worth 35 million euro

(a. pu.) Record financing for the Italian biotech company Entera chaired by Silvano Spinelli and led by CEO Giovanni Amabile. The spin-off of Biovelocita in life sciences reached 35 million yesterday, following the injection of capital of 28 million last July. Its investors now

include Roche Venture Fund, alongside Sofinnova and AbbVie. The pool of investors is completed by the American JDRF T1D Fund and Italians such as **Banor** SIM, Banca Profilo and Indaco Venture.
